Programme Details

Students are able to join more than one programme if they wish to attend more than once a week. Below is a list of where programmes can be linked.

¹ These Elite programmes can be crossed over. The programme cost if both programmes are attended is \$250 per student.

² These programmes can be crossed over. The programme cost if both programmes are attended is \$200 per student.

³ These programmes can be crossed over. The programme cost if both programmes are attended is \$220 per student.

* Pee Wee term will be interrupted by Tournaments taking place early in 2010. The Pee Wee Coach will advise dates the sessions will not be run.

Note: All Elite programmes are ability measured. The student would have progressed into this group by going through an initial beginner/intermediate programme.

Criteria for Programme Acceptance

1. All students must complete a Registration Form for programme acceptance and attendance. This is to comply with our Risk Management policy and to have contact details of parents and students in our database should an emergency occur.
2. Programme payment must be made within 7 days of the programme start date.
3. Outstanding programme payments may mean the student cannot participate until the payment is made.

We aim to provide a comprehensive coaching service with quality programmes, coaches and deliver this with professionalism.

If you require further information regarding the programmes above, please do not hesitate to contact us Active Tennis Ltd.
